TENTATIVE AGREEMENT

REOPENER

1. Total Compensation

In the event that the City reaches a settlement with any other employee unit covering the time period of this Agreement that has an ongoing total compensation reduction of less than ten percent (10%), in any form or manner, this agreement will reopen on the subject of total compensation and the parties will meet and confer to determine how the difference between a 10% ongoing total compensation reduction and the lesser amount agreed to with any other employee unit will be provided.

This provision will also apply in the event the City reaches a settlement which does not include the roll back of any general wage increase (not including any step and/or merit increases), as authorized by the City Council on November 25, 2010, received by any employee unit in Fiscal Year 2010-2011.

This provision will not apply to any changes made to any employee unit which occurs as the result of an interest arbitration award that is the result of contested issues resolved only via a full evidentiary hearing and substantive briefing.

2. Vacation Sellback

In the event the City reaches a settlement with any other employee unit eligible to sell back accrued vacation hours that does not eliminate the Vacation Sellback program effective the beginning of the first pay period of payroll calendar year 2013, absent other equivalent concessions received from such employee unit in lieu of eliminating Vacation Sellback, this agreement will reopen on the subject of Vacation Sellback and the parties will meet and confer to determine the provisions of the Vacation Sellback program for payroll calendar year 2013.

3. Disability Leave Supplement (DLS)

In the event the City reaches a settlement with any other employee unit, excluding any employees covered by Labor Code Section 4850, that does not eliminate DLS effective June 24, 2012, this agreement will reopen on the subject of DLS and the parties will meet and confer to determine the provisions of the DLS program for the time period between June 24, 2012, and the term of this agreement.

CITY PROPOSAL – VACATION SELLBACK

Proposed Language:

Employees may elect to sell back vacation for a maximum sell back of ninety-six (96) hours of vacation per payroll calendar year.

Effective December 25, 2011, employees may elect to sell back up to a maximum of forty-eight (48) hours of vacation accrued in 2012 and in accordance with the guidelines set below.

Internal Revenue Service (IRS) regulations require the City to report and withhold taxes on the value of the vacation time an employee is **eligible** to sell back. In order to ensure compliance with the IRS requirements and to avoid unanticipated tax consequences for 2012:

- Employees must elect the number of vacation hours they will sell back during 2012, up to the maximum of forty-eight (48) hours, by November 26, 2011. If an employee does not submit an irrevocable election form to Payroll on or before November 26, 2011, the employee will not be eligible to sell back any vacation hours during 2012.
- The election to sell back vacation hours in 2012 is **irrevocable**. This means that employees must sell back the elected number of accrued vacation hours during 2012.
- Employees can elect to sell back only vacation hours accrued during 2012, and any vacation hours accrued and carried over prior to 2012 are not eligible for sell back in 2012.
- Any vacation hours accrued in 2012 will not be available for use until the employee's accrued vacation hours in 2012 equal the number of hours the employee has elected to sell back. Then, only those vacation hours accrued in 2012 over the number of hours the employee elected to sell back in 2012 will be available for use by the employee. This means that hours elected for sell back may only be used for sell back purposes and cannot be used for vacation time off purposes.
- Employees may use any vacation hours accrued and carried over prior to 2012, subject to the normal rules of requesting use of vacation. Any vacation hours accrued and carried over prior to 2012 are not eligible for sell back.

Effective the beginning of the first payperiod of payroll calendar year 2013, employees will no longer be eligible to sell back any accrued vacation hours. This means that the Vacation Sellback program is eliminated.

This language is intended to replace the language in:

- The section entitled "Vacation Sellback" in the CAMP Benefit & Compensation Summary.

GRIEVANCE

On September 15, 2010, the City Association of Management Personnel, IFPTE Local 21 (CAMP), filed an administrative grievance related to the additional retirement contributions being made by employees represented by CAMP. Per the agreement for Fiscal Year 2010-2011 between the City and CAMP, employees represented by CAMP were to make additional retirement contributions to reduce the City's required retirement contributions as part of a total compensation reduction. As the additional retirement contributions to be made by employees represented by CAMP could not be immediately implemented, CAMP subsequently challenged the additional retirement contributions as calculated by the City.

As part of the overall agreement on a successor agreement between the City and CAMP, CAMP agrees to withdraw the administrative grievance with regard to the additional retirement contributions with prejudice and forego any other remedy, including, but not limited to, litigation regarding the additional retirement contributions as calculated by the City.

This Agreement is tentative and shall become effective only as part of the overall agreement on a successor agreement between the City and CAMP.
